

CRISTIANO GULLOTTA

RE-JOYCE

Concert for piano and voice plus Video

RASSEGNA STAMPA

A good surprise is the rigorous lyrics of the young Joyce that become subject for Vjing. The score composed and played by Cristiano Gullotta crosses the sconcerted voice of Maurizio Rippa, while images, animated with the computer, flows on a screen. Lightness doesn't hide the precocious fidget of the author and Rejoyce explores new temping territories
